### ABSTRACTS PREPARATION GUIDELINES

#### Deadline for Abstract Submission

**October 15, 2023**

#### General Formatting

- Use Word processor (.doc or .docx extension)
- Calibri or Arial 12 points
- Single spaced
- Language: English
- Body text (excluding title, authors, affiliations, and acknowledgements) up to 250 words
- The structured abstract must contain the following:
  - Introduction**
  - Objective(s)**
  - Methods**
  - Results**
  - Conclusion(s)**
- The abstract title must be in sentence case (not in capital letters).
- Indicate the names of all the study's authors (i.e. do not use 'et al.' or 'and colleagues').
- References to including in the body text are allowed but must be in brackets "()" and mention the author(s) and publication details [example: (Smit et al., J Physiol, year, Doi)]
- Methods must include the statistical analysis used and whether the values are mean  $\pm$  S.E.M. or mean  $\pm$  S.D., followed by the *n* value (number of individual samples, not replicates). For preliminary results with an *n* of two (2) or less, give the unique value(s) (i.e. do not indicate the mean).
- Methods must include Ethics or Bioethics Committee approval with the corresponding code according to institutional norms.
- Acknowledgements must include all people and sources of financing that have contributed to the study.
- Named people in acknowledgements must indicate affiliation [example: M Smith (University of Leeds, UK)].
- Do not include figures or tables in the abstract.
